

9 out of 10 people pick up after their dogs. Do you?

Poo patrols

Areas of concern will be patrolled regularly and we will be asking owners to pick up after their dogs and issuing fines.

Fines up to £1,000

It is an offence if you do not pick up your dog's poo. Fixed penalty fines will be issued to those not clearing up after their dog.

Full bins?

Help protect your environment. If bins are full don't leave bagged poo around, bag it and put it in your refuse bin at home.

Protect your community

Dog fouling poses a serious health risk by causing the spread of Toxocariosis and Salmonellosis. Help look after yourself as well as others.

Find out more and report dog fouling

Find out more information and report an offence at www.southsomerset.gov.uk and search 'dog fouling'.

Report it
